CONFISCATED GOODS-Hancock County Sheriff's Deputy Delbert Deay, left, Chief Deputy Ronnie Peterson, and Sheriff Sylvan Ladner stand among some \$10,000 worth of allegedly stolen goods confiscated Thursday at a trailer of Bobby Joe Hughes in Shoreline Park. Hughes and his brother, Edward L. Hughes, were arrested and charged with burglary. (Staff photo-Rich Adams)

City gas users facing 35 percent price hike

By LESLIE WILLIAMS
Natural gas costs to residents in Bay St. Louis and Waveland are headed for a 25 to 35 percent increase following a United Gas price hike, say mayors of the municipalities.
"The cost for natural gas in Waveland will increase "about 25 percent," says

that city's mayor.
Waveland Mayor John Longo's announcement of the increase came after a Waveland Board of Aldermen's meeting Wednesday night.
Bay St. Louis Mayor Larry Bennett said Thursday the cost for natural gas in his city may increase "ap-

proximately 35 percent."

However, the city does have the choice of absorbing the price increase or passing it on to customers, Bennett explained.

A letter, dated May 10, from Robert R. Voorhees, district sales manager for United Gas Pipe Line Company, informed Longo of the increased cost.

The gas company's letter blames a "substantial" part of the increase on higher prices which United Gas is paying under the Natural Gas Policy Act of 1978.

Longo said Waveland in turn will have to "pass on" United's rate increase to customers.

An excerpt from the letter states: "...the natural Gas Policy Act which the president signed into law in the fall — GAS PRICES-Page 8

Two arrested Sheriff confiscates stolen goods worth \$10,000

By RICH ADAMS
A Shoreline Park man and his brother were arrested Thursday by the Hancock County Sheriff's Department and charged with the alleged burglary of some \$10,000 of building materials, furniture, and machinery, Sheriff Sylvan J. Ladner Jr. said Saturday.
Bobby Joe Hughes, 28, Rt. 3 Box 591 of Shoreline Park in Bay St. Louis and his brother, Edward L. Hughes, were arrested and charged with two counts of breaking and entering and burglary, Ladner said.

Included in the haul of stolen goods were air conditioners, plywood sheets, water pumps, garbage disposals, furniture, a stove, range hoods, and other assorted building materials.

Ladner reported the two men are suspected of similar thefts in Slidell, La.; homes on Hwy. 603, Shoreline Park; and St. Tammany Parish in La.

Some of the merchandise stolen belonged to a chancery court judge and a city court judge in Hattiesburg, Ladner added.

He suspects some of the materials were also taken from a home on Wale STOLEN GOODS-Page 8

McCutchon death ruled accidental

By RICH ADAMS
Waveland Police Investigator Robert (Poochie) Tartavouille said Thursday results received from the crime laboratory in Gulfport indicate the May 2 shooting death of Waveland Realtor Marjorie Kempf McCutchon was accidental.

He said a prevalent report that McCutchon had asked many people to unlock a .38 caliber pistol at her home was correct, and added this information from the crime laboratory indicated McCutchon accidentally discharged the weapon while reaching for something on the top shelf of her bedroom closet.

McCutchon was found sprawled on the bedroom floor of her Waveland home by police on May 2, having been dead some 8-10 hours due to a bullet wound through her chest.

Initial reports indicated the death was suicide, and later rumors told of the home having been ransacked, but these were later dispelled by the police.

Tartavouille said in his statements that the crime laboratory tests indicated McCutchon had not recently held the pistol which fired the fatal shot.

All of the information concerning the cocked pistol and crime laboratory tests prompted Tartavouille to report, "it is from this information that we have decided the gun was accidentally discharged while (McCutchon) was reaching for something in the closet."

Board to get \$3.7 million school bond issue request

By LESLIE WILLIAMS
Hancock County School Board will present a resolution calling for a \$3.7 million capital improvements bond issue to the Board of Supervisors tomorrow, School Board President Woodrow Ladner said.

Ladner's announcement followed a school board meeting Thursday morning.

"We will not ask supervisors to call the election on any particular date, however, I would like the election to be called in the latter part of June," Ladner said.

Board members at Thursday's meeting authorized Joseph Geis, board attorney, to prepare a resolution calling for a \$3,722,459 bond issue to finance construction of an elementary school near HNC, construction of a junior-senior high south of I-10 and renovations at Hancock North Central.

The resolution must be presented to Hancock County Board of Supervisors for approval.

The school board approved a renovation plan for HNC submitted by the board's Advisory Committee Thursday.

The committee's plan proposes a chemistry lab be remodeled to a physical science lab; creation of a new physics lab; the HNC library relocated to its original location; the present library to be converted into a business education department.

The plan also calls for most of the present elementary school to be remodeled into high school class rooms; a section of the present elementary, recently constructed, be converted into a special education center; remodeling of a teachers' lounge; and construction of two physical education dressing rooms.

The renovation plan will be financed with \$191,124 in surplus local funds if the bond issue proposal is approved by the voters.

If passed, the bond issue will provide \$3,722,459, which in turn will generate \$270,000 in EFC monies, in addition to \$466,700 from surplus local funds.

These total funds of \$4,475,159 will then be used to provide facilities in the school district.

From the \$4,475,159 total, \$2,612,051 will be appropriated for construction of the junior senior high school south of I-10, and \$1,875,904 will be used for the new elementary school north of I-10.

The total cost for the two facilities is \$4,288,035; therefore, a balance of \$191,124 in excess funds will remain and be used for the HNC renovations.

Board Member Monvel Cuevas questioned whether the balance of \$191,124 in excess funds would be enough to finance renovations at HNC.

In other business, Rex LeBert of Massey Ferguson Co. of Gulfport asked Board members to explain why the Board chose the Gulfport-based Sanders Ford Company's bid of \$8,060, for a 34-horsepower tractor instead of Ferguson's bid of \$7,406, which is \$654 less.

LeBert told board members he needed the explanation for a report he plans to file on the matter.

LeBert said bids from Sanders and Massey, which were the only two bids BOND ISSUE-Page 4

Family rescued from Bay after fishing boat burns

By RICH ADAMS
A Holden, La. family was rescued from the Bay of St. Louis Saturday by Mississippi Water Patrol officers after they had abandoned their burning boat, Hancock County Sheriff's Deputy Delbert Seay said Alvin E. Holland, Rt. 1, Box 294, Holden, La., his wife, Carol, and their two-year-old son Alvin Jr., were rescued unharmed by Water Patrolmen Jerry Gremillion and Ronnie Ladner.

Seay reported the family was returning from a fishing trip at Cat Island when the boat engine began burning.

Holland told officers he tried to open the hatch and extinguish the blaze, but could not put the flames out.

The boater then put his wife and child overboard and followed, Seay reported.

Waveland Policeman John Wilkenson saw the blaze from shore and called the Hancock County Sheriff's Department, who then informed the water patrol, Seay added.

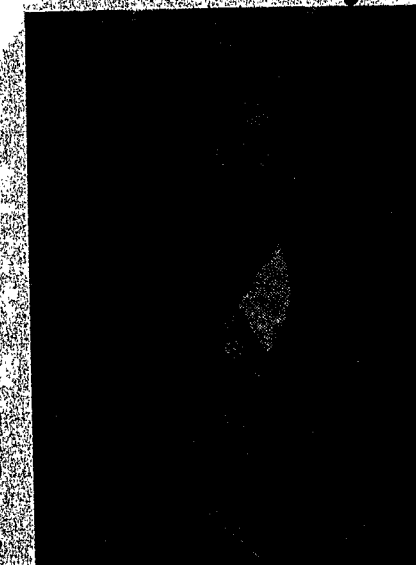

"Jerry Gremillion and Ronnie Ladner got out there, some three miles out, and made the rescue in 10 minutes," Seay said Saturday.

"They really did a great rescue job," he added.

The family was brought to the Bay St. Louis Public Pier where Mobile Medic took them to Hancock General Hospital

for observation.
Seay reported the hospital examined the family and released them.

Reynolds announces candidacy

JAMES D. (BUCKY) REYNOLDS
James D. (Bucky) Reynolds announces his candidacy for Best One Supervisor, Hancock County.

The 31-year-old Pearlinton native is owner of Reynolds Grocery in Pearlinton.

He lives with his wife, Mrs. Dora Reynolds; two sons, Paul, 9; Dewitt, 5; two daughters, Shannon, 10; and Dana, 6.

Their mailing address is P.O. Box 87, Pearlinton.

Reynolds is a graduate of Hancock North Central.

He attended William Carey College for one year.

BULLETIN

An accident reportedly involving injuries occurred early Saturday evening at Cuevas Junction (the intersection of Hwy. 943 and Hwy. 43, near Kline), the Hancock County Sheriff's Department reported.

Sheriff's deputies and Mississippi Highway Patrol investigators were at the scene and unavailable for comment.

The extent of injuries and damage to the vehicles involved was unknown Saturday afternoon, the Sheriff's Department reported.

Motorcycle-truck mishaps kill one, injure another

By RICH ADAMS
A Biloxi man was killed Saturday on US-90 in Bay St. Louis as a pick-up truck ran into the rear of his motorcycle and a Waveland motorcycleist was injured Wednesday in a separate accident on that highway, according to Bay St. Louis Police Chief Douglas Williams.

Robert C. Whitney Jr., 54, 1412 Third St., Biloxi, was killed early Saturday morning after a pick-up truck driven by Gary Moran, 24, 2313 Cleveland Ave., New Orleans, ran into the rear of the motorcycle at the intersection of US-90 and Main Street in Bay St. Louis, Williams said.

Blacks still face resistance to civil rights, decree says

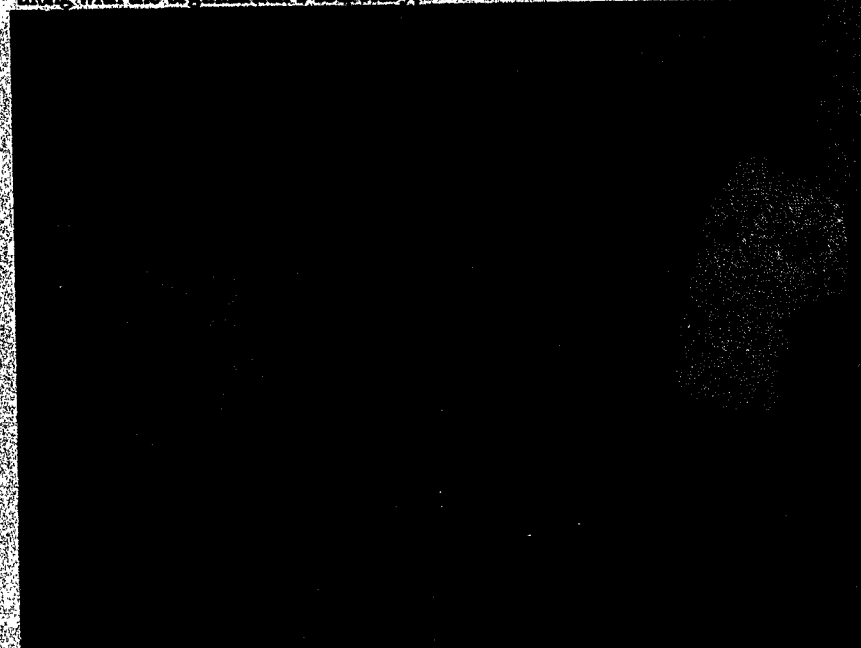

By LESLIE WILLIAMS
Bay St. Louis Mayor Larry Bennett Thursday signed a proclamation declaring May 17 "a day for all citizens to rededicate themselves to the ideals and principles of equality and justice in remembrance of the 25th anniversary of the Brown versus Board of Education decision."

The proclamation was submitted by local representatives of the National

Association for the Advancement of Colored People.

Local NAACP President Clementine Williams was present for the signing along with the organization's secretary.

Annie Fields; members Alfred Sheppard and Gwendolyn Isham; Bay Councilman Harry Farve, and Bay NAACP-Page 8

Frommeyer, Bissonnette wed in St. Clare Church ceremony

St. Clare Catholic Church, Waveland, was the setting for the April 28 wedding of Miss Sharon Anne Frommeyer and Richard Allen Bissonnette.

Rev. Msgr. John Scanlon, pastor, officiated at the afternoon ceremony; and Mrs. Mildred Means, organist, presented a selection of nuptial music.

The bride is the daughter of Mrs. Margo Bradford Frommeyer of Waveland and William P. Frommeyer Jr., of New Orleans. The groom is

the son of Mrs. Lillian Spence Bissonnette of Pass Christian. She wore a formal candlelight gown fashioned with a Victorian collar and empire bodice of Alencon lace embellished with seed pearls and long lace bell shaped sleeves. The flared chiffon skirt extended to a chapel length train.

The bride wore a small hat adorned with beaded lace motifs and net which formed an elbow length veil. She carried an open fan applied

with Alencon lace and seed pearls with an arrangement of camellias at the base.

Miss Roseanne Frommeyer of Waveland attended her sister as maid of honor; and Mrs. Ray Breland, Waveland, was matron of honor. Bridesmaids were Mrs. Frank Miller of Bay St. Louis, Miss Paula Ladner and Miss Michelle Hasney of Waveland; Miss Jan Frommeyer, sister of the bride, was junior bridesmaid and Miss Kristie Rose Aguda of New Orleans served her godmother as flower girl.

Jeffrey Bissonnette, Pass Christian, attended his brother as best man. Groomsmen and ushers were Danny Ferrell, Gulfport; Thomas Bishop, Long Beach; John Stewart, Pass Christian; William Frommeyer III, Waveland, brother of the bride; Donald Rafferty, Pass Christian, and Dr. William Warren Bradford, Waveland, uncle of the bride. Gerard Frommeyer, brother of the bride, served as junior groomsman and Joseph Aguda of New Orleans was ring bearer.

Following the ceremony a reception was held in St. Clare parish hall.

The couple, who have returned from a wedding trip to Orlando, Fla., are residing in Bay St. Louis.

Ferrell, Smith engagement told

Mr. and Mrs. B. R. Ferrell of Bay St. Louis announce the engagement and approaching marriage of their daughter, Ember Lanet to Louis Ray Smith, son of Mr. and Mrs. Ray Smith of Pearlington.

The bride-elect is a 1977 graduate of Bay Senior High. She was the drum major of her high school band, and also a member of the Business Club, French Club, and National Honor Society. She is

a 1979 graduate of Pearl River Junior College with a degree in business. Her maternal grandparents are Mr. and Mrs. Heister C. Davis of Wiggins. Paternal grandparents are the late Mr. and Mrs. W. R. Ferrell, also of Wiggins.

The prospective groom is a 1977 graduate of Bay Senior High. He was a member of the varsity basketball and football teams. He also attended Pearl River Junior College. He is currently employed with Marine Concrete in Ansley.

His maternal grandparents are the late Mr. and Mrs. Joseph David Hover, Sr. and paternal grandparents are Mrs. Leona Smith, and the late Mr. Alphonse Smith, all of Pearlington.

The couple will be married at First Baptist Church in Bay St. Louis on Saturday, June 16, at 2 o'clock in the afternoon. Friends and relatives are invited to attend.

USM tells Hancock graduates

The University of Southern Mississippi in Hattiesburg held Spring commencement exercises Wednesday, May 10. The University reported the following graduates from Hancock County received degrees in the ceremonies:

HANCOCK COUNTY

BAY ST. LOUIS - Master of Business Administration: John B. Wesselman.

Master of Social Work: Terri Ann Lizana, August Joseph Scaffi, Jr.

Bachelor of Arts: Bryan Ervin Acker, Terry Evans Lechler.

Bachelor of Science: Garland R. Belote, Alcus Guy Cromartie, William M. Frisbie, Judith Ann Greer, Robert M. Lauderdale, Jr., Lila J. Stephens Ratliff, Candace C. Ladner Murphy, Sherry Ann McGinity Ponder, Frances Elaine Sones, Pauline A. P. Wesselman.

PEARLINGTON - Master of Education: Denise Strahan Wilkinson.

WAVELAND - Master of Education: Helen Hayes Mestayer.

Bachelor of Arts: Keith Scott-Poise.

Bachelor of Fine Arts: Robin Rutherford.

Bachelor of Science: Gaynell Ladner Roberts, Madeline Maria Sellers.

SUMMER SESSION

Registration for the first summer term at Ole Miss will be Monday, June 4 with dormitories opening Sunday, June 3. The session will end with examinations July 6-7.

Applications for admission to the first term should be submitted to the University's Office of Admissions by Tuesday, May 15. The second summer term will be held from Tuesday, July 10 (registration) to August 10-11 (examinations). Deadlines for applications is Wednesday, June 20. Summer commencement exercises will be held Sunday, August 12.

Haas, Gex exchange vows

The chapel of the First United Methodist Church of Picayune was the setting for the recent evening ceremony uniting Angela Darlene Haas, the daughter of Mr. and Mrs. Austin T. Haas of Nicholson, and Kerry Glenn Gex, the son of Mr. and Mrs. Emile J. Gex Jr. of Picayune.

Nuptial vows were exchanged in a double-ring ceremony April 6 at 7 p.m. with the Rev. Clint Gill, pastor, officiating. The chapel was beautifully decorated with spring flowers of blue, yellow, and white; garlands of ivy and greenery, and candelabra of white candles.

Prior to the ceremony, Mrs. Terrell Breland, pianist, presented selections of nuptial music including "I Love You Truly," "Because," and "To A Wild Rose."

The bride, given in marriage by her father, wore a formal gown of white lace, with A-line bodice and a Sabrina neckline, with long fitted sleeves and a tiered lace train, with finger-tip veil accented with pearls.

Her jewelry was a silver cross necklace, a gift of the groom. She carried a bouquet of white roses mixed with spring flowers.

Attending the bride as matron of honor was her sister-in-law, Mrs. Ted Haas, who wore a Victorian style gown of white and pink, accented with white lace, and a corsage of spring flowers.

Teressa and Christa Haas, nieces of the bride, served as flower girls. They wore dresses of dotted swiss and chiffon, one blue and one yellow, and each carried a basket filled with spring flowers.

The groom chose as his best man, his brother, Guy Gex, of

Holly Springs, Mississippi. Prior to the ceremony, candles were lit by the ushers, Ted and Scott Haas, brother of the bride, of Nicholson, Mississippi.

For her daughter's wedding, Mrs. Haas chose a street length dress of pale blue, with a blouson top and pleated skirt, and a corsage of white silk roses.

Following the ceremony a reception was held in the social hall of the church. The bride's table, covered with a lace cloth, was arranged with yellow flowers and greenery.

The three-tiered wedding cake was decorated with yellow and blue flowers over a fountain, and topped with a miniature bride and groom.

Serving as tea girls were Mrs. Scott Haas, sister-in-law of the bride, and Miss Denise Mitchell of Sardis, Mississippi, fiancée of Mr. Guy Gex.

Following a wedding trip to Holly Springs, Mississippi, the couple are residing in Nicholson.

Mr. and Mrs. Emile J. Gex Jr. entertained the bridal party with a rehearsal supper on Thursday evening at the Western Sizzlin in Picayune.

Echoes

Mr. and Mrs. Burt Smith of Metairie, La., spent Sunday with her parents Mr. and Mrs. Herbert Cardin.

Byron Drew Fryer of Arabi, La., visited last week with his grandparents Mr. and Mrs. Elus Depreo while his parents Mr. and Mrs. William L. Fryer Jr. and sons Billy and Dax were on a trip to Disney World. On their return Billy celebrated his fourth birthday with a family party at the home of his grandparents.

Mr. and Mrs. Gregory Presnell of Pensacola, Fla., spent last weekend with his parents Mr. and Mrs. Elus Depreo. Mrs. Presnell recently graduated from the School of Nursing at Pensacola Junior College.

Mr. and Mrs. Don Ladner and daughter Gina of Petal, Miss., spent the weekend with his parents Mr. and Mrs. Sylvan J. Ladner Jr. and family.

Mr. and Mrs. Joseph Blazie had as weekend guests their son and daughter-in-law Mr. and Mrs. Gary Blazie and sons Charles and Billy of Houma, La.

Mr. and Mrs. Edward Smith of Greenfield, Tenn., are visiting their son-in-law, and daughter, Mr. and Mrs. John A. Scaffi Jr. and children at their Felicity Street home.

Weekend guests of Mrs. Leonie Monti and Miss Rosemary Blazie were Mrs. Monti's daughter Joy and Miss Julie Eschet of Metairie, La., and Mrs. Ralph Blazie Jr. and son Clay of Algiers.

Baptisms

Casey Eott

Casey Margaret Eott, infant daughter of Mr. and Mrs. Mark Eott of Poplarville, was baptized April 22 in Our Lady of Perpetual Help Catholic Church, Lumberton, Miss., with Rev. Thomas White officiating.

Godparents are a paternal aunt, Mrs. Diane Harriel and a maternal uncle Robert Louis Gavagnie.

Marsha Carver

Marsha Marie Carver, infant daughter of Mr. and Mrs. Charles C. Carver of Bay St. Louis, was baptized Sunday, April 29 at Our Lady of the Gulf Catholic Church with Rev. Morgan Kavanagh, pastor, officiating.

Godparents are Tony Weldon Smith of Picayune and Mrs. Shelley Dedeaux, Bay St. Louis.

Following the ceremony a family gathering was held at the Carver home.

Mallini named LSA secretary

Ilyne Stewart of Gulfport was recently installed as president of Harrison and Hancock Legal Secretaries Association at the Best Western Inn in Gulfport. Edward O. Miller, her employer, served as installing officer, and was assisted in the candlelight ceremony by M.L. Tootle, installing Marshal.

Other officers installed in the ceremony were Gladys Brown of Gulfport, vice president; Shug Mallini of Bay St. Louis, secretary; Marthe Bankston of Gulfport, treasurer; Henrietta Caranna of Gulfport, governor; and Donna Cave of Gulfport, NALS representative.

Piano music was furnished during the ceremony by Betty Lou Clark.

The outgoing President, Betty Lou Clark, presented Ms. Stewart with the president's gavel, and Donna

Cave presented Mrs. Clark with a past president's pin. Following the installation, members and guests were entertained by 5 members of the "Sounds Aho!" a group from the Choral Music Department at Gulfport High School. Gladys Brown and Gini Myers served as co-chairmen for the installation.

The following committee chairmen were approved: historian, Gini Myers; bulletin, Betty Lou Clark; ways and means, June Innis; legal education, Becky Barrett; employment, Glenda Raybourn; bar, Jason, M.L. Tootle; PLS, Marilyn Knight; program, Henrietta Caranna; telephone, Myrna Cody; public relations, Frances Favre; parliamentarian, Patsy Bishop. Members were encouraged to attend the state convention in Vicksburg in May 19-20.

SHUG MALLINI

AWARD FOR PAPER

A University of Mississippi graduate student in mechanical engineering received an award from the American Institute of Aeronautics and Astronautics for his studies of the destructive force of waves on off-shore drilling platforms. Mike Feifarek, whose research was based on data compiled by oil companies, won third prize in the organization's graduate division technical paper competition.

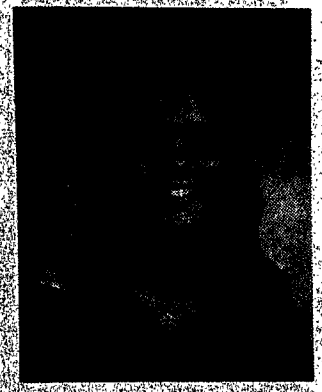

MISS EMBER FERRELL and MR. LOUIS RAY SMITH

Duval, Crain wedding scheduled today in Bay

Mr. and Mrs. Ray Depreo of Bay St. Louis announce the engagement and approaching marriage of their daughter Pamela Lynette Duval to Terry Crain, son of Mr. and Mrs. Samuel L. Crain of Bogalusa, La.

The bride elect who attended Bay Senior High School, is presently employed as a manager at Morrison's Cafeteria, Chalmette, La.

The prospective groom attended Bogalusa High School and is employed by AMStar Sugar Refinery in Chalmette.

PAMELA DUVAL

Shade trees planted at Waveland School

The Playground Improvement Committee of the Waveland Elementary Parent-Teacher Organization recently planted 12 trees at that school's playground.

The oaks, maples, weeping willows, and Chinese tallowes were contributed by Mumme's Nursery, Otisco Drugs, Waveland Hardware and Lumber, and Waveland Mayor John Longo. Sixth-grade boys dug holes for the trees. Other projects underway at

the school include repairing playground equipment, filling in mud holes near equipment, and planting shrubbery in the entrance path of the school, according to committee chairman Rosa Shattuck.

Ms. Shattuck is seeking ideas and help from parents of preschoolers, grandparents, and parents who "care about the environment in which their children spend almost six hours each day." John Winstead is PTO president.

We still need Railroad over- or underpasses!

The dire need of an over- or underpass in Waveland was again evident Monday when a problem with a wheel on a train caused the stopping of a long, long freight in Waveland.

Three out of the city's four crossings were blocked for some time. People going to work, children going to school were all delayed.

Now, we realize that didn't cause too much inconvenience but what if there had been an emergency which required the crossing of the tracks by fire trucks, ambulance and police.

The same length of train would probably blocked all but one crossing in Bay St. Louis if it would have stopped in the Bay.

We hear mumbling and grumbling about the train crossings and that is usually as far as it gets. There is talk about federal funds available from time to time and that is all we hear is talk.

We would like very much to make one thing clear, the railroad has been here a long time and it has meant a livelihood for many of us. It still is the livelihood of many residents.

The railroad has just as much right or maybe even more rights than any other business in Hancock County. The big talk about moving the railroad would be of no benefit to Hancock County as a whole.

The only thing which really is needed is either two under- or overpasses in both Bay St. Louis and Waveland and probably one around Clermont Harbor.

There is a danger of trains going through populated areas, but if speed limits are enforced and adhered to there shouldn't be many problems if the tracks are kept up to standards.

As we have mentioned before, we hear a lot of talk and now we would like to hear of some action by our political leaders.

Bay man arrested on drug charges

By RICH ADAMS

A man stopped by Highway Patrol investigators for reckless driving was arrested for illegal possession of a controlled substance on Hwy. 43 last week when the officers discovered \$5,000 of quaalude tablets in the car, according to Hancock County Sheriff's Deputy Ronnie Peterson.

Peterson said investigators Joe Price and M.P. (Mickey) Ladner were returning from Playune on Hwy 43 in Hancock County Thursday at 7 p.m. when they noticed a car being driven erratically, forcing other cars from the road.

Peterson said the car drove off the road and came to a stop in a ditch.

The investigators found Michael A. Smith, 22, Rt. 2 Box 527B, Carriere, in the car in what Peterson described as an inebriated condition.

Price and Ladner searched the car and produced 500 tablets, which the chief deputy said appeared to be homemade.

"According to the crime laboratory in Gulfport, the pills appear not to have been made in any pharmacy," Peterson said.

"We believe they were homemade, possibly in Mexico," Peterson added. The officer said the pills sell on the street for \$3 to \$5 apiece, and believe the value of the bust is \$5,000.

"It is a good drug bust as far as hard drugs are concerned," Peterson said. Hancock County Sheriff deputies assisted the Highway Patrolmen in the investigation.

Smith was lodged in the Hancock County Jail and released Friday under a \$15,000 bond.

He is charged with possession of a controlled substance, driving while intoxicated, and having a concealed weapon, a .45 caliber pistol discovered in his car, Peterson said.

Peterson said Smith is slated to go before District Two Justice Court Judge Horatio Frierson Jr. Wednesday night.

Smoke alarm saves Pass family of four

By ELLIS CUEVAS

Fire destroyed the home of Mr. and Mrs. James E. Sprinkle Jr., 995 East Second Street, Pass Christian, early Thursday morning.

An alarm was turned in at 4:25 a.m. to the Pass Christian Fire Department and Firemen Lt. Ike Stapleton, John Funderburg, and Eugene Dedaux could see the flames from the station as they responded to the call.

Pass Chief George Mixon reported two trucks from the Pass and one from Long Beach fought the fire in the two story home.

Mixon said, "Sparks were flying and landing on the roofs of adjacent homes and we had to wet them down as a precaution but no damage was reported to those buildings."

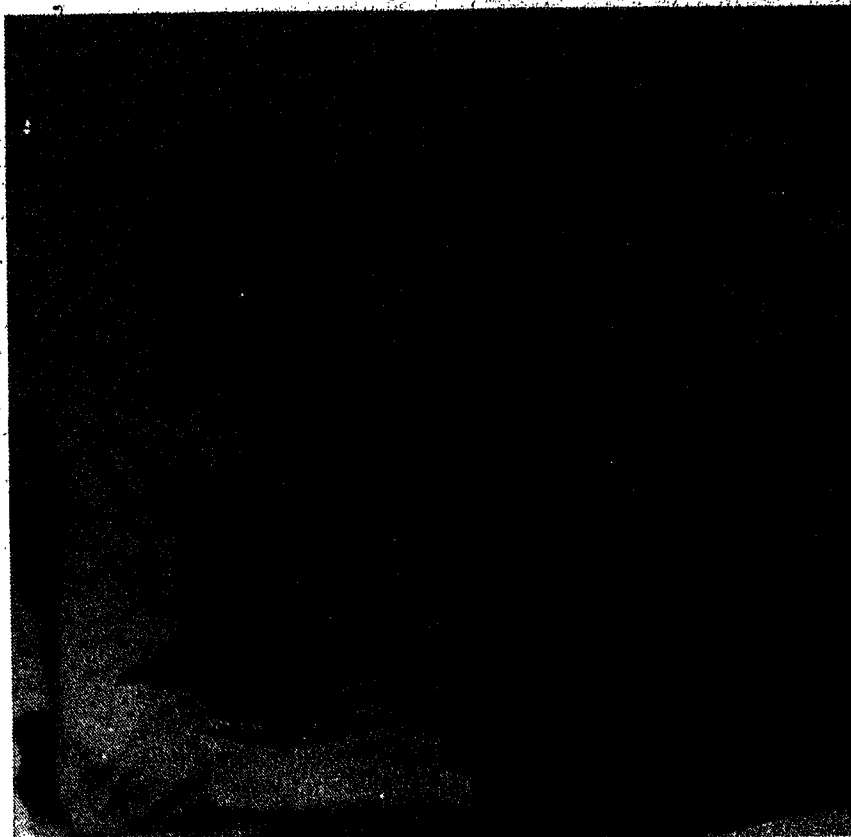

The fire was under control at 5:10 a.m. and firemen stayed until 7:30 a.m. to make sure the fire was out.

Mixon attributed a smoke alarm with probably saving the life of the Sprinkles and their two children.

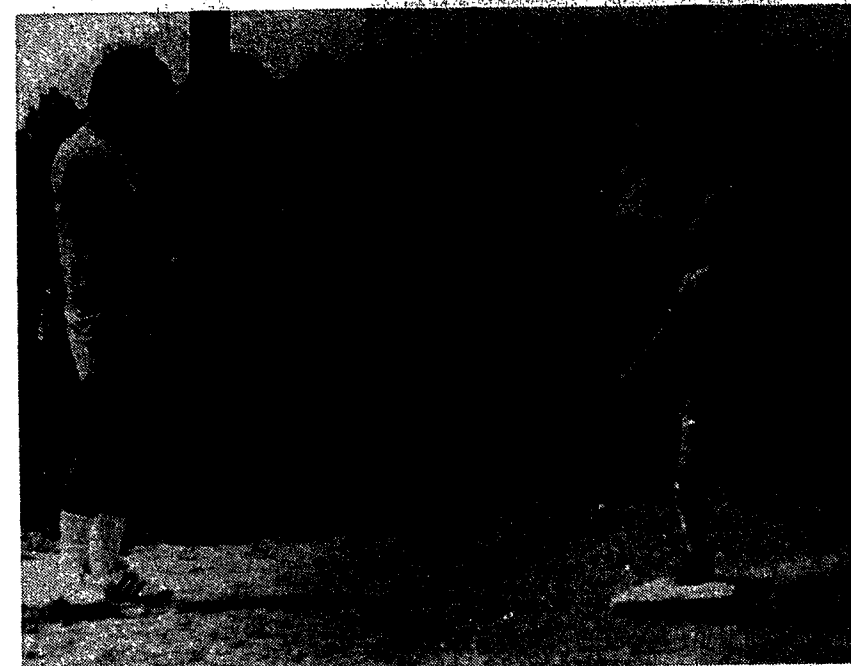

The Chief said he was told by Sprinkle that he was awakened by the alarm, promptly got his wife and children outside and looked around to see the whole house in flames.

One fireman reported a slight injury from a sharp metal object going through his boots, but he was back on duty after minor first aid, according to Mixon.

In addition to three fire trucks on the scene, the Pass Rescue Unit and a total of 21 firemen responded.

Columbia engine sails in flight acceptance

Space Shuttle Main Engine No. 2007, the first of the Orbiter Columbia's engines to be flight acceptance tested, passed with flying colors May 12 when it was successfully fired at NSTL for a 520-second endurance test run simulating a launch into space.

The engine will now be given detailed electrical and mechanical checkouts and data from the tests will be thoroughly reviewed before it is formally accepted by officials of NASA's Marshall Space Flight Center, Huntsville, Ala.

The formal acceptance will follow a final review in late May at the test facility near Bay St. Louis.

Flight acceptance tests for engine No. 2007 began April 25 with a 1.5 second ignition test firing. A 100-second calibration test firing was performed May 2 and the acceptance testing was concluded with the 520-second firing May 12.

Following formal acceptance by NASA, the engine will be loaded on a truck for shipment to Kennedy Space Center, Fla., where it will be installed on the Space Shuttle Orbiter Columbia for a launch date later this year or early in 1980.

The Columbia's other two engines have already been delivered to the Mississippi test facility.

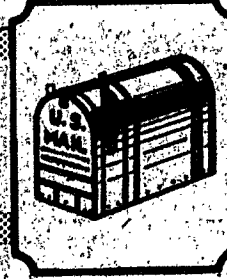

Each of these engines will be flight acceptance tested in the same test stand and subjected to the same test procedures as engine No. 2007 before being accepted and shipped to the launch facility in Florida.

These two engines, when installed with No. 2007, will complete the main engine cluster for the Columbia.

The Space Shuttle Main Engines are being manufactured and tested by Rocketdyne Division, Rockwell International, Canoga Park, Calif., under contract to the Marshall Center.

Board president's attitude questioned

May 17, 1979

To the Editor
Sea Coast Echo

Dear Sir:

Hooray for the parents, teachers, and citizens of this community for joining together to show their concern for the school system.

But at the same time that I praise the interest of the parents, teachers, and citizens, I wonder about the interest of some of the school trustees. There are times when it leaves a lot to be desired.

For example, the President of the School Board has, in my opinion, shown what one could take as serious lack of concern (and has been apparently bored at times) with what the parents, teachers and citizens have to say.

Recently it has been brought to my attention that her children do not even attend the public school she helps to govern.

If she was not interested enough in our schools (and I say "our" because my husband and I sent two children through this school system) to send her children to them, then no wonder she seems bored or uninterested.

After learning some of these important facts lately, I am beginning to understand what a large part of the

struggle has been for the parents and teachers in the public schools in this city.

I realize that she has the right to send her children to the school of her choice, but the tax paying citizens also have the right to expect sincerely interested people to run their schools and spend their tax dollars with the best interest of those schools and children in mind.

All of the trustee should serve out of dedication, not prestige.

And we've all heard that old line about how one can serve better as an outsider because he can be more objective.

Our system would benefit more from a burning desire to progress than objectivity.

These kinds of attitude have no place on our school board. We need people who are really interested in the system and to what others may have to say.

Anyone not measuring up should at least have the decency to resign.

Let me say in closing that your newspaper has done a great job in this past school year to bring to light many facts that were well hidden for too long. Keep up the good work.

Sincerely yours,
Arlene Hale
Bay St. Louis

Mother deplores highway conditions

Sea Coast Echo
To the Editor

Dear Sir:

I am the mother of the two boys who were injured badly in the accident that happened on Highway 603 on May 6.

First of all, I would like to express my deep appreciation to the driver of Mobil Medic who administered first aid to my children and the other injured people.

I would also like to express my thanks and appreciation to the doctors and staff of Gulfport Memorial who have cared so well for my boys.

I have been a resident of Northern Hancock County all my life and lived on Hwy. 603 for 18 years. I have lived on Hwy. 53 for the last 10 years.

It is a very rare occurrence to see a Highway Patrol car on either of these stretches of highway.

Many cars have been forced off these highways by other vehicles, especially gravel trucks, traveling at a high rate of speed.

I believe that Hwy. 603 is number two on the list of highways in which accidents similar to those my children were involved in occur in Mississippi.

For a long period of time debates have been held about the safety of Highways 603 and 53 and what should be done about them.

I feel that all concerned parties should band together and demand that the State Highway Commission take immediate steps to insure that these highways are safe before someone's child end up in the funeral home rather than being seriously injured like my children.

I feel that if the Highway Patrol had been doing their job this terrible accident needn't have occurred.

The driver of the car that struck the truck in which my sons were passengers, had no driver's license and had never had any.

If Highways 603 and 53 were adequately patrolled and licenses checked regularly, tragedies and much mental and physical agonies could be avoided.

I don't know the specific reasons these highways are so unsafe or where the blame lies for these hazardous conditions, but something should be done immediately to correct this situation.

I am sending copies of this letter to Shag Pyron, State Highway Commissioner for this area and to Congressman Trent Lott.

I urge all concerned individuals to add their voice to mine and make their concerns known.

Sincerely,
Christine Smith

Commercial building costs triple

Building permits issued for commercial construction in the tri-county area of Hancock, Harrison, and Jackson Counties for March 1979 indicated the monetary value of that construction has more than tripled since March 1978.

The number of permits issued for residential and public construction however, has decreased substantially.

According to the Mississippi Research and Development Center (MRDC) in Long Beach, 15 permits for \$897,440 of commercial construction were issued in March 1978.

That figure for March 1979 has increased to 25 permits with a total value of \$1,965,065, a 185.1 percent increase.

In March 1978, 232 permits for residential construction were issued with a monetary value of \$6,047,972.

The number of permits issued this year, however, showed a 36.6 percent decrease.

The MRDC reported 147 permits with a monetary value of \$5,715,128 were issued this year in March.

A decline in the number of permits issued for public and other construction was noted, almost half the number issued this year than in March 1978.

This time last year 80 permits had been let for public construction worth \$1,541,965.

This year in March the MRDC recorded only 45 permits issued, monetary value at \$442,768, a 43.75 percent decrease in permits issued.

Overall, the number of permits in the tri-county area has decreased by 16.2 percent in March 1979, 97 fewer permits being issued, the MRDC indicated.

In Bay St. Louis, 12 permits were issued in March 1979 for a total value of \$283,845, bringing the total to date to \$726,175.

In Waveland, 30 permits were let in March 1979, 21 of those for alterations, additions, and repairs, for a total of \$381,933 for the month.

Waveland's yearly total as of March 1979 is \$760,187.

In Bay St. Louis, five residential

permits were allowed in March this year with a value of \$200,400. Only one commercial permit was issued, its value \$27,885.

Six permits for alterations, additions, and repairs were let in Bay St. Louis for \$10,350.

In Waveland, seven residential permits were issued for \$274,133. No commercial permits were let, the MRDC reported.

No figures for Hancock County outside the municipalities of Bay St. Louis and Waveland were available for March 1979, the MRDC added.

Bond Issue...

received, were opened by the Board May 5.

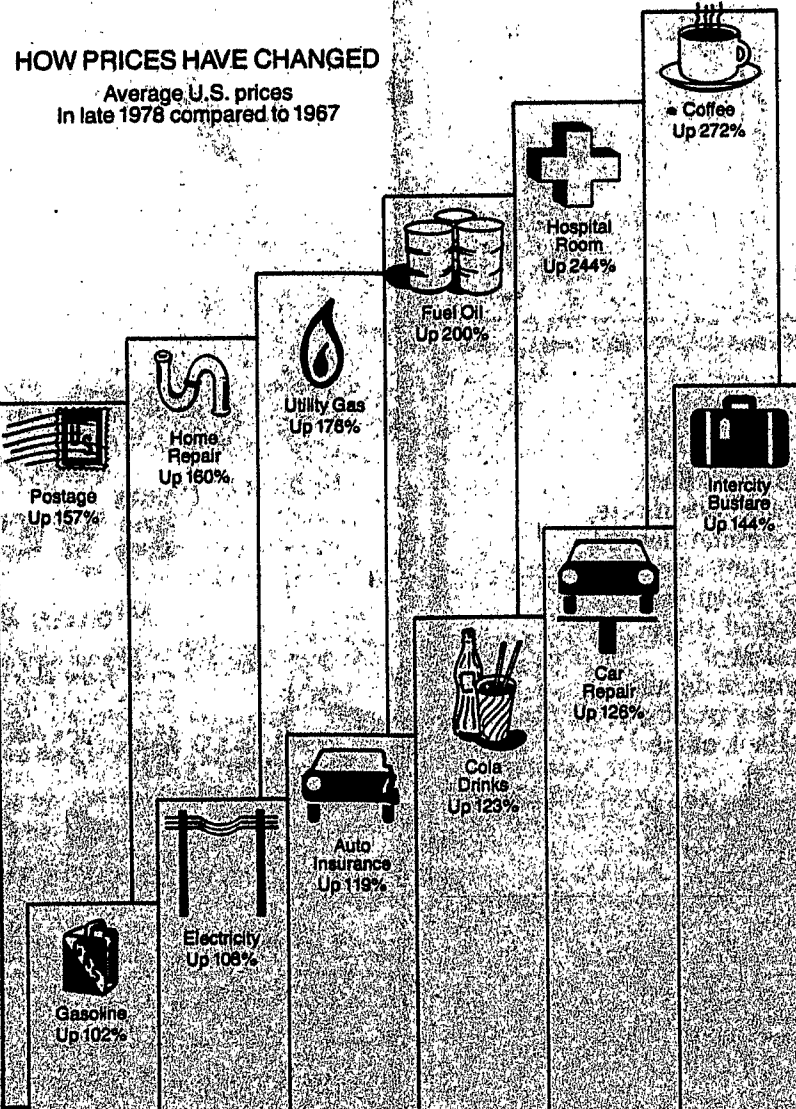

"Ford is the most rugged tractor and serves our purpose best," Cuevas replied.

Woodrow Ladner joined saying, "We are more familiar with Ford products." LeBert suggested, "We can educate you on our product."

The Ferguson representative added, "The Sander's bid did not meet all specifications listed in the bid advertisement whereas we did."

LeBert said he plans to send the school board information on his product, "So in the future they will be informed."

Correction

A report on the Pass Christian Blessing of the Fleet slated for today which appeared in Thursday's Echo listed Rev. John O'Brien of St. Paul's Catholic Church as one of the clergymen who will conduct the event.

Father O'Brien, however, has been transferred to Our Lady of Fatima Church in Biloxi. He has been replaced as pastor at St. Paul's by Monsignor James McGough, formerly of Hattiesburg. Msgr. McGough will participate in the Fleet Blessing ceremonies.

Gulfview graduation set May 21

Mark Santalla has been named valedictorian and Philip Seay is salutatorian of the 1979 graduating class at Gulfview Elementary School in Lakeshore. Commencement exercises will take place on Monday, May 21 at 7:00 P.M. in the gymnasium at the school.

Santalla, the son of Mr. and Mrs. Vincent Santalla of Lakeshore, has a grade point average of 3.92 for a four year period. Seay, the son of Mr. and Mrs. Delbert Seay of Lakeshore, has a grade point average of 3.65 for a four year period.

Homemakers meeting scheduled

The state Future Homemakers of America-Home Economics Related Occupations (FHA-HERO), Leadership Meeting will be conducted in Jackson, May 21-22.

The meeting was originally scheduled for April but was cancelled due to the flood in Jackson.

The FHA-HERO student organization is designed to help students assume their roles in society through home economics education in areas of personal growth, family life, vocational preparation

and community involvement. During the meeting workshops will be conducted on financial planning, planned parenthood, and parenting. Out-of-state speakers include Dr. William Purkey, professor and chairman, Division I, School of Education, University of North Carolina, Greensboro; and Steven Schott, director of education, Planned Parenthood of Austin, Texas. The FHA-HERO student organization is sponsored by the Vocational and Technical Division of the State Department of Education.

Postal Service seeks mailbox improvement

May 21-26 is "Mailbox Improvement Week," and officer-in-charge Tim Machen at the Bay St. Louis Post Office urges all local customers to paint and repair unkept or damaged mail receptacles, in town and on rural routes.

During Mailbox Improvement Week, residents should examine their mailboxes to determine

whether they have been damaged by weather or vandalism, particularly those located along rural routes, city curbsides, and highways.

"Customers should be sure their boxes provide adequate protection to the mail and are easily reached by carriers to help speed collection and delivery of their mail," Machen said.

This Week

Rock-A-Chaws shine as 'County Champs' in first Spring Jamboree

By RICH ADAMS

The St. Stanislaus Rock-A-Chaws defeated both Hancock North Central and Bay High in early football action Wednesday night as they became 'County Champs' in the first annual Spring Football Jamboree.

The Hawks also were in the winning spotlight, as they defeated Bay High 7-0 in the first of three two-quarter games at Tiger Stadium.

Calling signals for the Hawks was Bobby Devaughn, who saw little action as a quarterback last year in the shadow of HNC star Vincent Adams.

Starting for Bay High was Chuck Benigno, a senior linebacker and also a part-time utility quarterback from last year.

In the initial game, the Hawks gained 99 yards on the ground and passed for 60 yards.

Devaughn passed a 35 yard flea-flicker to Rene Baun in the first series of play against the Tigers, but was unable to move the ball after the pass and was forced to punt.

Bay High, plagued with early penalties, was unable to move the ball and also forced to kick.

The game was a see-saw contest of each team punting, moving the ball downfield slightly, and punting again.

The first break for HNC came shortly after the first quarter when they received the ball on the Tiger 40 yard line.

Devaughn hit senior tight end Floyd Willis with a 25 yard toss to set the Hawks on their way.

Veteran fullback Willie Santiago then ran the ball 34 yards in four plays to set up returning halfback Byron Ladner's three yard run to paydirt with 3:37 remaining in the game.

Ladner kicked the conversion, which was good, to place the Hawks in front 7-0.

Bay High received the kickoff on their 22 yard line, and after a pitchout and scramble failed for relief quarterback Ricky Johnson, the Tigers were forced into a punting situation.

Hancock North Central took the ball on their own 30 yard line and ran out the clock, winning that contest 7-0.

The Bay High Marching Tiger Pride Band entertained spectators during a 15-minute break in action, some of the band members playing at their last football game prior to graduation.

In the second game, which set the Hawks against the Rocks, SSC's experience shone and the Rocks edged HNC 14-7.

Stanislaus rushed for 169 yards and had an aerial attack of 65 yards.

The Hawks totalled 92 yards on the ground and 10 yards in the air.

HNC took the opening series of play on their 26 yard line, and after moving the ball 28 yards, were forced to punt.

The Rocks took the ball on their 25, and on the third play from scrimmage quarterback Gary Sotak bobbled the ball.

Hawk tackle David Curet picked up the loose pigskin and ran in for a HNC touchdown with 4:50 remaining in the first quarter.

Perre Cabell's punt after attempt was blocked, and the Hawks led 6-0.

The ensuing kickoff was taken by veteran runningback Juan Betanzos and returned 80 yards, weaving through Hawk defenders with skill and speed, for a SSC touchdown.

The score came only one second after the HNC rally in the end zone.

Betanzos' PAT attempt was wide, and the game remained tied at 6-6.

Hancock North Central took the kickoff and began moving downfield from their 35 yard line, but a Devaughn pass intended for Baun was intercepted by Cabell.

The interception was voided when Stanislaus received a roughing the passer in-

fraction, but the persistent Rock-A-Chaws forced a fumble on the next play and guard Terry Bilbo recovered on their own 24 yard line for the Rocks.

Stanislaus returning star linebacker Scott Senner plunged forward for 17 yards and a first down, followed by a six yard gain by Tony Herques.

In a razzle-dazzle play, Sotak pitched out to Senner, who then hit Cabell downfield for a 65 yard score.

In a two-point conversion attempt, Marc Meyer hit end Lee Klein in the corner of the end zone for success.

The Hawks then began moving downfield on the next set of plays, highlighted by a 25 yard run by Devaughn, who scrambled to daylight on more than one normally broken play.

The HNC squad lost the ball

when Devaughn attempted to hit Mike Shaw with a pass.

Joe Gex took over signal calling for the Rocks and began moving the ball downfield with almost a totally substituted offense, and following a 15 yard facemask penalty, lost the ball after falling on a fourth-and-long yardage situation.

HNC had the ball for one play before the time ran out and SSC won their first game of the evening, 14-6.

Bay High lost the next match to the Rocks in the final game of the evening.

The Tigers received the ball following an unproductive set of plays by the Rocks.

Senner's punt travelled deep into Tiger territory, and Ricky Johnson signalled for a fair catch as he was surrounded by Rock defenders.

The ball took a bounce to the sideline, where it was scooped by Bay runningback Ellie

Herrington. Herrington evaded SSC defenders to take the ball to the Rock 30 yard line, only to have the play returned to the line of scrimmage plus a 15 yard penalty because of illegal procedure.

Stanislaus was again on the way downfield, highlighted by a 45 yard run by Senner, when the ball was bobbled and Bay High's Steven Hargett recovered on their 10 yard line.

The Tigers moved the ball well downfield until the Stanislaus defense got tough and forced a turnover in the form of a punt.

The ball was snapped over punter Joe Cabanias' head, who recovered the ball and managed a weak, rushed kick from deep in his territory.

Stanislaus took the ball on their own 30 following an off sides infraction and moved to

the Tiger 13 on a Gary Sotak to Meyer 55 yard pass.

Senner scored as he carried the ball in from the 12 two plays later.

The point after was good, and the Rocks led 7-0.

Bay High took the ball at a disadvantage as the Rocks kicked from the 45 due to a penalty.

On the first play from scrimmage at the 20 yard line, Bay signal caller John Ginn attempted a screen pass to William Washington, which was picked off by Betanzos at the Tiger 24 yard line.

Stanislaus received an offensive holding penalty of 15 yards, and following a series of plays, attempted a fake field goal.

Meyer received the snap on the 21 yard line and passed to Keith Pfister, but the attempt was incomplete and Bay took possession of the ball.

The Tigers were unable to move the ball and went for a first down on a fourth-and-twenty situation.

Ginn attempted a pass to Bobby Waterman, which was intercepted by SSC's Meyer.

Stanislaus took the ball on the 29, and unable to move downfield, punted.

The final 13 seconds of the game were dragged out as penalties plagued the game.

Meyer intercepted a pass by Ginn, but a roughing the passer call brought the ball back to the Bay squad, 15 yards closer to paydirt.

Bay High, with one second left and a first down, received 15 more charity yards on a personal foul call against the Rocks.

An incomplete pass indicated the game was over, but another SSC infraction gave the Tigers another 15 free yards and a first down on

the 20. The Tigers failed on a play as quarterback Ginn was sacked in the final attempt to score.

Stanislaus won the final match, 7-0.

Stanislaus Head Coach Barry Jones said he felt the Spring Jamboree was good because it offered an early opportunity to look at all the players.

"I was able to take a look at all the players, and it gave them experience," Jones said Friday.

"There are so many phases of the game that have to be looked at, and some of ours look a little weak," he continued.

"I have to give all the kids credit. We have 63 team members, and there was a good effort by all of them. They are all to be commended," Jones added.

"We have a lot of work to do

"I was kind of leery about not spending the time that we should have on fundamentals," Jones said.

"I still have mixed emotions on the jamboree...the duration of time needs to be reduced. It was 11 p.m. before we finished our last game and were on the bus to leave. 7 to 11 is a long time to play," he added.

"Our kids are not in condition as they should be for physical play. I think that unconditioning will tend to lead to injuries," he continued.

"The kids loved to play in the jamboree, though," he said.

"It is something to look forward to at the end of Spring," he added.

Hancock North Central veteran skipper Irvin Favre feels his 1979-1980 squad has retained the "winning tradition and spirit" of past winning squads, and looks forward to the Fall season.

"The good winning tradition is still there," Favre said.

"We have a good inspired and spirited team. They never quit, they had pride in their team, and they tried to come back and win," he continued.

"They have kept the emotions flowing," he added.

Favre said Stanislaus has potential to "go all the way" next year, and called Bay St. Louis "an improved team."

He said the offensive squad for the Hawks is "rusty" and added Spring training is a learning time.

"Our offense is rusty and not consistent...they made too many mistakes," Coach Favre said.

"The defensive play was far ahead of the offense," he added.

He commended quarterback Devaughn for holding up and working under pressure.

"He is under tough pressure as the school's first black quarterback. He is the first black ever to attempt to play at that position," the HNC helmetsman said.

"He handled the pressure well," Favre added.

Hancock will open the season August 31 against Pass Christian in a traditional rivalry of powerhouses at Pass High.

First-year Head Coach James (Snuffy) Smith said Friday he is pleased with his squad's performance, adding the "hustle was good and they showed a desire to win."

"The jamboree gave me an opportunity to look at the different players under pressure situations," Smith said.

"Overall, they performed well. I played a lot of young football players who performed well also," he continued.

"Our lack of experience and a third coaching staff member did show," he added.

Smith said his squad has potential to be a major force in the county's football program next year.

"I feel we have a long way to go to be able to put more pressure on the other teams," he said.

"We have a lot to accomplish and a lot to overcome," he continued.

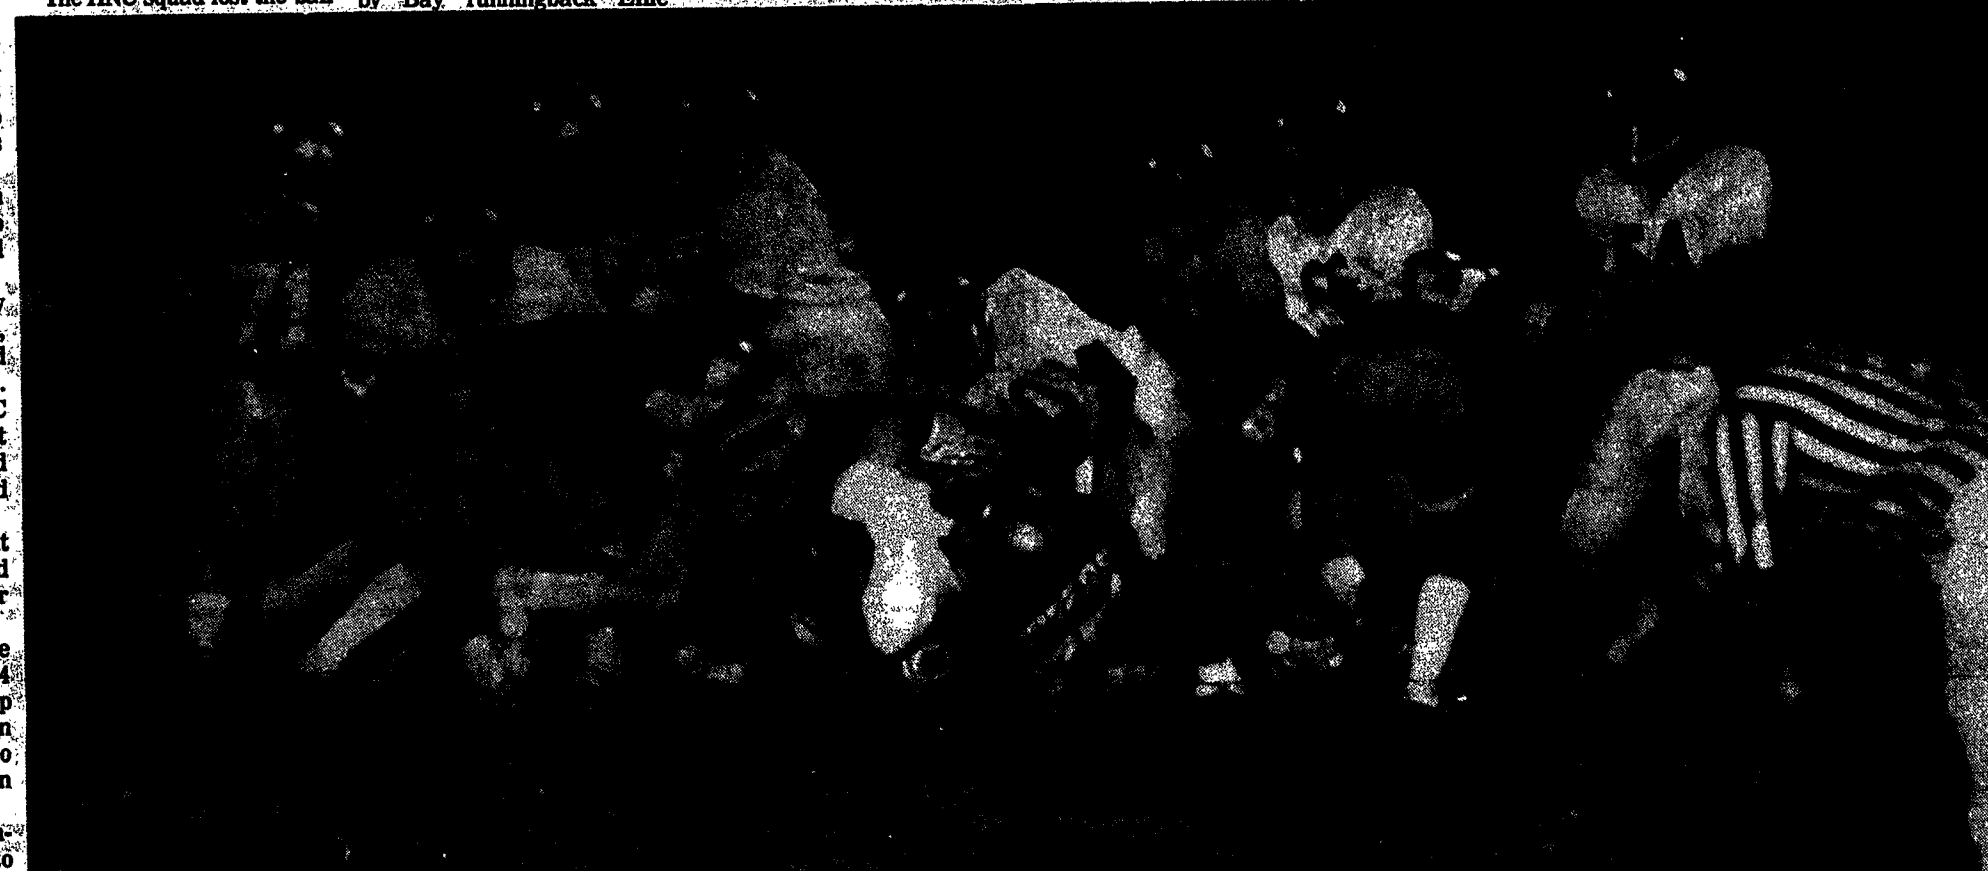

"I think the jamboree was good to a certain extent...we did get an early preview and saw how far we have to go to be successful instead of waiting for next year," Smith added.

Smith praised the other teams and coaches for their efforts.

"Hancock and Stanislaus performed well as I expected," Smith said.

"I think both should be fine ballteams next year, and should win a lot of ballgames," he continued.

"I am looking forward to next year. If we make good progress this summer, hopefully we will progress to the point of competition we are seeking," he added.

STOPPED COLD-Rock-A-Chaw quarterback Joe Gex is caught between Bay High defenders Steve Favre, No. 77, and Mike Fitzgerald, No. 65, as members of both teams pile on. The Rocks became early county champs as they defeated Bay High and Hancock North Central in

the first annual Spring Football Jamboree at Bay High's Tiger Stadium Wednesday night. The teams will meet twice more in the gala event during the next two years. (Staff photo-Rich Adams)

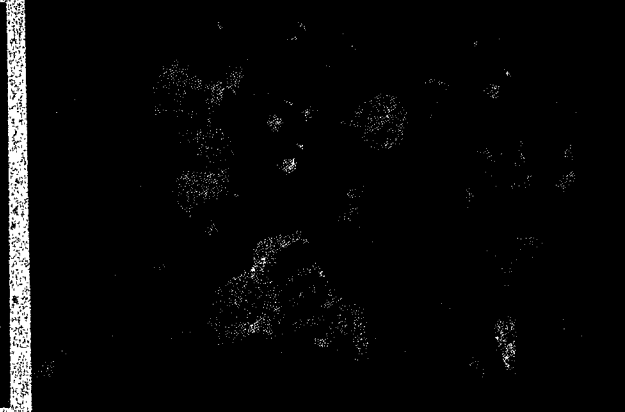

PILE UP-Hosts of Tigers and Hawks pile on top of each other in early play Wednesday at Tiger Stadium in the first annual Spring Football Jamboree. Stanislaus, also participating,

finished as County Champs, defeating both Bay High and HNC. (Staff photo-Rich Adams)

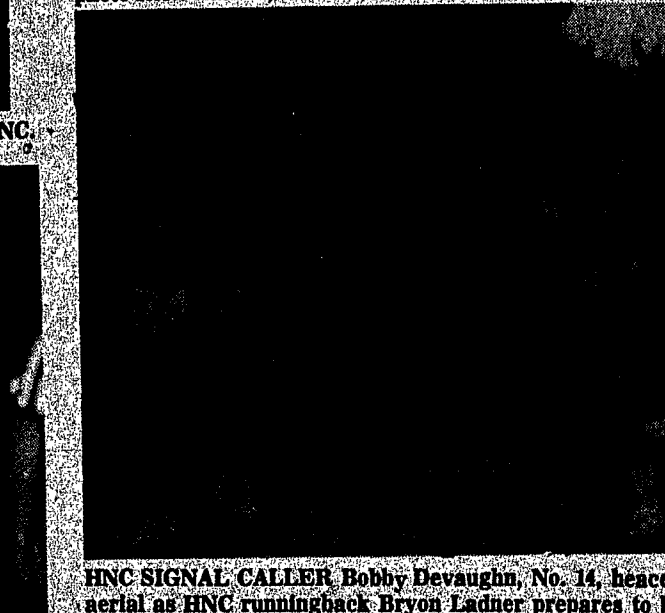

DEER IN TROUBLE-HNC's Byron Ladner is in deep trouble as Bay High defenders Steve Hargett, No. 24, Bruce Cain, No. 41, Van Fayard, No. 42, David Gillum, No. 33, and Ed Pericaino, No. 23 move in to attack. (Staff photo-Rich Adams)

PFISTER FOLDED-SSC veteran runningback Keith Pfister is doubled-up as Bay High defenders tackle him in action at Tiger Stadium Wednesday night. (Staff photo-Rich Adams)

TD RAZZLE-DAZZLE-Stanislaus' Perre Cabell, No. 24, in white, outruns HNC's Stephen Hargett after receiving a pass from Scott Senner, who received the ball from the quarterback in a razzle-dazzle play. The action occurred in the first annual Spring Football Jamboree at Bay High Wednesday. (Staff photo-Rich Adams)

HNC SIGNAL CALLER Bobby Devaughn, No. 14, heaves an aerial as HNC runningback Byron Ladner prepares to block any defenders threatening the quarterback. Devaughn led the Hawks to a win over Bay High in the Spring Football Jamboree Wednesday. (Staff photo-Rich Adams)

Controlled fresh water study continuance funded

A House subcommittee has approved Congressman Trent Lott's request for \$350,000 to continue a fresh water introduction project designed to

enhance seafood production in the Gulf of Mexico off Hancock and Harrison Counties.

Lott said the funding approved by the

Appropriations Subcommittee on Energy and Water Development is the full amount that the Corps of Engineers is capable of spending on the project during fiscal year 1980, which begins October 1.

The Fifth District congressman requested the funding in testimony before the subcommittee on April 9.

The Corps survey of Mississippi and Louisiana estuarine areas is to determine the advisability and best method for introducing fresh water from the Lower Mississippi River through the Bonnet Carré spillway on a carefully controlled basis.

The water eventually would filter through to the Mississippi Sound and the Gulf of Mexico.

Lott said the project would help to reverse the northward push of saline water through the marshes of Mississippi, Louisiana and Alabama, which has driven oyster production farther inland.

The salt water intrusion also has contributed to a serious deterioration of other aquatic life.

Many fishermen believe that introduction of fresh water on a controlled, periodic basis will result in remarkable increases in their seafood harvest.

The Corps study was initially funded in fiscal year 1978, and it is estimated that with full funding for FY 80, the study will be completed in 1983.

Stolen Goods...

Street in Shoreline Park. The sheriff reported he and Chief Deputy Ronnie Peterson, along with Deputy Delbert Seay, had conducted surveillance on Bobby Hughes' Shoreline Park trailer on Tennessee Street "day and night for some 15 days."

Ladner said Hughes produced a phoney bill of sale for the stolen materials when he was approached by the sheriff.

The goods are valued at \$10,000, and seven pick-up truckloads were required to move the materials to the sheriff's department.

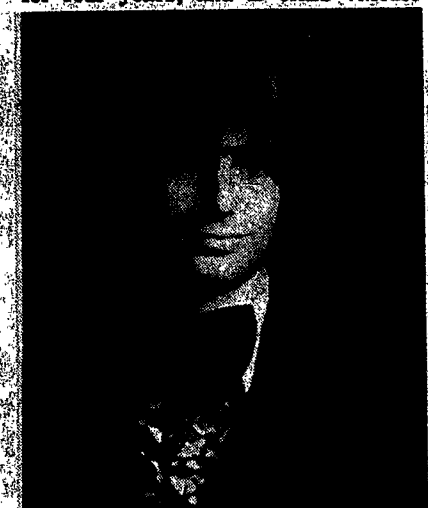

Ladner said Deputies Paul Bernard, Nathan Hoda, and Alvin Ladner assisted in transporting the goods to the sheriff's department.

Gulport Patrolman Louis Disalvo assisted the sheriff in the investigation.

PITCH, HIT, AND RUN-April Crosby crosses first base in Bay St. Louis Pitch, Hit, and Run local competition Saturday. Boys and girls ages 9-12 competed in games which tested pitching, hitting, and baserunning abilities. The event was sponsored by Burger King restaurant and Major League Baseball, and developed in conjunction with the President's Council on Physical Fitness. The Bay St. Louis Parks and Playgrounds Commission hosted the event. (Staff photo-Rich Adams)

Goodwin, Carlson named Bay High class leaders

Edwin W. Goodwin, son of Mr. and Mrs. Dallas W. Goodwin, Bay St. Louis, leads this year's Bay St. Louis Senior High School graduating class with a cumulative grade point average of 97.90 for four years, and is class valedictorian.

EDWIN GOODWIN
He is a member of the Spanish and Debate Clubs and the Tiger Tennis team. He is an Alpha Honor Roll student.

member of the National Honor Society, and was selected by his classmates as "Most Likely to Succeed Boy" of the senior class.

In March of 1979 he received two awards presented by the Governor's Committee for a research paper on employment of the handicapped.

Goodwin plans to enter the University of Mississippi and major in political science.

Alane R. Carlson, 1979 salutatorian and daughter of Mr. and Mrs. A.F. Carlson, Bay St. Louis, has a grade point average of 96.70 for the four years of high school.

Alane was designated the Star Student of the senior class by the Mississippi Economic Council.

She is a member of the Bay High Tiger Pride Flag Corps, member and secretary of the Student Council, member and vice-president of the French Club.

She has also been a "Bat" girl for the Tiger Baseball Team and was selected by her classmates as "Most Beautiful

Police Chief Douglas Williams.

The proclamation states: "Whereas, the United States Supreme Court in its historic 1954 decision in Brown versus Board of Education held that segregation in public education is unconstitutional; and,

Whereas, it served as the catalyst for shifting of judicial sanctions from segregation to desegregation and the elimination of legal barriers to equal opportunities; and,

Whereas, Brown formed the basis for enactment of the Civil Rights Act of 1964, 1965 and 1968, thereby providing greater assurance of equal opportunity in employment, equal access to public accommodations, housing, and desegregated education; and,

Whereas, there continues to be opposition to desegregation at many levels of life and the momentum of equality of opportunity in all aspects of public life is decelerated; and,

Whereas, despite removal of more overt legal barriers, blacks are still faced with resistance to meaningful implementation of these civil rights laws by officials and individuals who

publicly profess belief in the spirit and the letter of the law as pronounced in Brown; and,

"Whereas, this is the 25th anniversary of Brown versus Board of Education,

"We hereby proclaim May 17, 1979 as a day for all citizens to rededicate themselves to the ideals and principles of equality and justice particularly at a time when this nation should be attempting to transfer the noble pronouncement of Brown into realities.

"We further call upon all elected officials and citizens to exert active individual leadership in making equality a reality for all Americans.

"This leadership action should include an objective analysis of the existing quality of education in all communities, and specific steps, time tables and funding sources to implement effective public education which was clearly the foundation of the Brown decision.

After signing the proclamation Mayor Bennett added, "I'm glad to know we now live in a land where people are judged by their ability and not by the color of their skin."

Motorcycles

CONTINUED FROM PAGE 1

\$10,000 bond, but was released on bail later Saturday morning, the Hancock County Sheriff's Department reported. Bay St. Louis Patrolmen Albert Belth III and Wilbert Dorsey were assisted by Waveland Police and Hancock County Sheriff's deputies in investigation of the mishap.

In an unrelated accident, a Waveland man injured in a motorcycle-truck accident on US-90 is listed in satisfactory condition at Gulfport Memorial Hospital with a broken hand and knee.

Robert Hargett, 37, 228 Olivari St., Waveland, was injured when a pick-up truck driven by Jon A. Cabiness, 21, Rt. 4 Box 89, Bay St. Louis, drove into his path at the intersection of US-90 and Drinkwater Road, according to Bay St. Louis Police Chief Douglas Williams.

According to Williams, Hargett was headed west on US-90 approaching Drinkwater Road on his motorcycle when the truck driven by Cabiness heading north on Drinkwater Road apparently failed to yield at a stop sign

and drove into the path of the motorcycle.

The motorcycle hit the rear left bumper of the pick-up truck and was totally destroyed, Williams added.

"The bike was totaled and burned," the chief explained.

The mishap occurred approximately 10:30 p.m. Wednesday, Williams reported.

Hargett was taken to Hancock General Hospital and later transferred to Gulfport Memorial by Mobile Medic, where he was listed Friday as being in satisfactory condition.

Bay Police Investigator Michael Hobby and Patrolman Larry Ladner, as well as Hancock County Sheriff's deputies, investigated the mishap.

A unit from Bay St. Louis Fire Department was dispatched to the scene to extinguish the flaming motorcycle.

Cabiness has been charged with failure to yield right of way and causing an accident, Williams said.

Gas Prices

CONTINUED FROM PAGE 1

of 1978 significantly increased the prices which may be charged for natural gas.

John Dale, Mississippi Southern District public service commissioner, explains the increasing cost is the result of an act passed by the U.S. Congress last year that deregulates cost of natural gas.

This act also contains an escalation clause which provides for a 10 percent annual increase in the wholesale price for gas, Dale adds.

The act also calls for complete deregulation of prices on natural gas in 1985, he continues.

"Under deregulation the gas companies can charge whatever they want," complained Dale.

Dale exclaimed, "The increase occurred in Washington, not in Jackson."

The commissioner noted Bay St. Louis, Waveland and a number of other cities own and operate their gas systems.

"The philosophy of the federal government is, if they stimulate prices that will in turn stimulate production of the dwindling resource," Dale maintains.

Dale says he strongly disagrees with this philosophy.

United Gas Pipe Line Company is an interstate gas pipeline service, Dale said.

"The Federal Energy Regulatory Commission conducts hearings and establishes price levels on sales of natural gas," he explains.

Voorhees states in his letter to Longo that "United Gas will file its regular purchased gas cost adjustment with the federal regulatory commission."

"I went with my staff to the Federal Power Commission," said Commissioner Dale, "and protested that to raise gas prices is wrong—people are paying an outrageous cost for a disappearing commodity."

The price for natural gas is going disappearing commodity. "The price for natural gas is going so high that people are not going to be able to afford it," Dale lamented.

"Our generation of old people may freeze to death, and the fault will lie with those letting price increases get out of hand," the commissioner continued.

Dale listed another apparent philosophy of the federal government "is to price energy so that people can not use it."

"I disagree, I don't believe that works," Dale affirmed.

Since all companies have been allowed to increase cost, all companies

profits have become "staggering and wicked—300 to 400 percent profit increases, when you consider personal income has not kept pace with the profit increases."

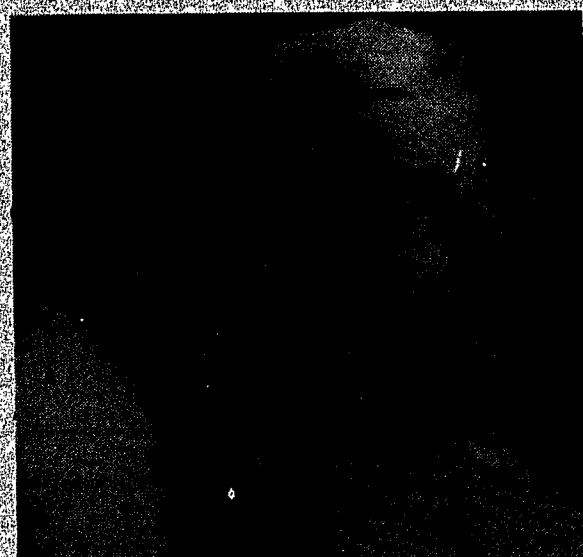

Rumors that the Federal Bureau of Investigation is investigating natural gas prices in Hancock County were denied Friday by John T. Kelly of Jackson, special agent in charge of the FBI in Mississippi.

Voorhees's letter also states the rate adjustment will amount to an increase of approximately 57 cents per thousand cubic feet.

"The 57 cents per thousand cubic feet adjustment includes 39 cents per thousand cubic feet, reflecting United's current cost of purchased gas, and 18 cents per thousand cubic feet, reflecting increases in purchased gas costs which United previously incurred but which it deferred for later recovery," according to the letter.

FISHING RODEO

The Bay-Waveland Gun & Rod Club will sponsor its Fifth Annual Junior Fishing Rodeo Saturday, June 2, at the American Legion Pier. Children between six and fifteen will be eligible to participate and may register between 8:00 a.m. and 12 noon at the rodeo headquarters during the day of the event.

LIFE ON PAPER-Mississippi ETV's documentary film on William Faulkner is scheduled for a rebroadcast on the statewide network at 3 p.m., Sunday, May 20. First seen on Mississippi ETV the previous week, WILLIAM FAULKNER: A LIFE ON PAPER is narrated by Raymond Burr. The two-hour documentary is tentatively scheduled for nationwide broadcast on the Public Broadcasting Service (PBS) this fall. (METV Photo)

REQUEST FOR BID BID QUOTATION FORM

Superintendent of Education
Hancock County Schools
P.O. Box 200
Bay St. Louis, Mississippi 39020

Sealed bids will be received until
9:00 a.m. on June 18, 1979, at which
time they will be publicly opened
and read, for the furnishing and
installation of one submersible
turbine pump to be installed in
present well located at Hancock
North Central School.

Pump to be of submersible type,
not less than 10 h.p., to deliver 100
gallons per minute at 90 pounds
discharge pressure; Jacuzzi, Reda,
Berkeley, or equal. Motor to be of 1
size, 220 volt, 3 phase, 60 hertz;
Franklin or equal. Brochure of
equipment to be furnished with bid.

Armed metal pump house roof is
to be removed, present 5 h.p. deep
well turbine pump pulled from well,
and new submersible pump installed
not less than 70 feet below surface.
Piping from pump to discharge to
tank, tank to be not less than 2 1/2"
galvanized, present pumping panel
to be replaced with new panel to
accommodate a 10 h.p. unit; Allen-
Bradley, Nema 2, or equal.

All electrical connections and
piping to be included, and pump put
into permanent operation. Roof of
pump house to be replaced and left
in its present condition.

Size of well - 8" I.D. to 35 feet,
balance 4" I.D.
Static water level approximately
15 feet below surface.
Furnishing and installing
submersible pump as above.

No proposal may be withdrawn
within thirty days after bid opening.
The Contract will be awarded to the
lowest qualified bidder if sufficient
funds are available. The Owner
reserves the right to reject any and
all bids and to waive any in-
formalities.

DATE: Monday, June 4, 1979
PLACE OF OPENING: Bay
Senior High School, Bay St. Louis,
Mississippi at which time and place
all proposals will be opened and read
aloud.

Plans and specifications are on
file and may be examined in the
office of the Owner and in the Office
of Fred Wagner, Architect, 342 Main
Street, Bay Saint Louis, Mississippi.
Copies of documents may be ob-
tained from the Architect upon
deposit of \$10.00 for each set. Upon
return of complete, unutilized sets
within 20 days of the date of bid
opening, refund will be made as
follows: Full refund on first set to
bidding General Contractors, 50
percent refund on all other sets.

Proposals must be submitted on
business letterhead, in triplicate, in
the form shown in "Form of
Proposal."

Proposals must be accompanied
by a bid security in the amount of 5
percent of the bid in the form of a bid
bond or in the form of a certified
check or cashier's check made
payable to the Owner.

The successful bidder will be
required to furnish a performance
bond and a labor and material
payment bond in the amount of 100
percent of the contract amount at
the time of execution of the contract.
Such bonds shall be by a Surety
acceptable to the Owner.

All bidders must hold a Certificate
of Responsibility and a Mississippi
State Board of Public Contractor's
license as and when required by
state law. Both numbers shall ap-
pear on the proposal and on the
outside of the sealed envelope.

No proposal may be withdrawn
within thirty days after bid opening.
The Contract will be awarded to the
lowest qualified bidder if sufficient
funds are available. The Owner
reserves the right to reject any and
all bids and to waive any in-
formalities.

By J. D. McCulloch,
Superintendent
Bay St. Louis, Mississippi
5-20, 5-27, 5-3-79

Sealed bids will be received in our
office, 124 Court Street, Bay St.
Louis, Mississippi until 9:00 a.m. on
June 18, 1979, at which time they will
be publicly opened and read on the
following items which are for sale at
Hancock North Central High School:
two 4' latrine
one 4' latrine
eleven lavatories
one lavatory - metal
two frigidaire deluxe stoves
Equipment may be inspected by
calling Hancock North Central High
School, 255-7197, for appointment.
Terry Randolph
Superintendent
5-20, 5-27, 5-3-79

CAUSE NO. YC 678
YOUTH COURT SUMMONS
THE STATE OF MISSISSIPPI
TO RE: Dotzie Fountain Weems
You are summoned to appear
before the Youth Court of the County
of Hancock in said state, at the
Hancock County Youth Court, 126
Court Street, Bay St. Louis,
Mississippi, on the 30th day of May,
1979, at 10:00 o'clock A.M. to show
cause why the child described in
said cause should not be adjudged a
neglected child and for such other
relief as to the court may seem
proper for the best interest of the
said child, wherein you are a
respondent.

This 18th day of May, A.D.,
1979.

“We’ve built on the faith you’ve placed with us . . .”

All our friends and customers are invited to attend the
**Grand Opening of the new Peoples Federal Savings
Branch in Our Shopping Center in Waveland, Monday
May 21, at 10:00 A.M.**

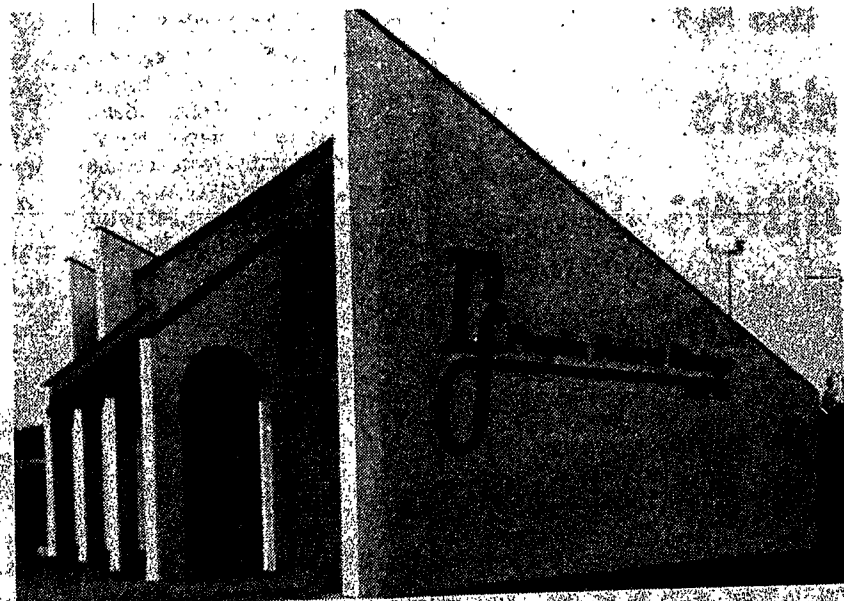

Since Peoples Federal Savings was founded in 1890, our Association has grown steadily because the people of our area have placed more than their savings and home loans with us . . . they've placed their faith.

We're proud to repay this faith by constantly striving to serve you even better. Our new branch in Our Shopping Center is only the most recent example of this faith.

We look forward to seeing you again during our Grand Opening. Come by and enjoy refreshments and register for prizes to be given away.

We want to show our appreciation for the faith you've placed with us.

David A. Treutel
David A. Treutel
President, Peoples Federal
